2006 *Semi-Annual Report*
(unaudited)

This report may contain forward-looking statements about the Fund. Forward-looking statements include statements that are predictive in nature, that depend upon or refer to future events or conditions, or that include words such as "expects", "anticipates", "intends", "plans", "believes", "estimates" or negative versions thereof and similar expressions. In addition, any statement that may be made concerning future performance, strategies or prospects, and possible future Fund action, is also forward-looking. Forward-looking statements are based on current expectations and projections about future events and are inherently subject to, among other things, risks, uncertainties and assumptions about the Fund and economic factors.

Forward-looking statements are not guarantees of future performance, and actual events and results could differ materially from those expressed or implied in any forward-looking statements made by the Fund. Any number of important factors could contribute to any divergence between what is anticipated and what actually occurs, including, but not limited to, general economic, political and market factors, interest and foreign exchange rates, global equity and capital markets, business competition, technology change, changes in government regulations, unexpected judicial or regulatory proceedings, and catastrophic events.

The above-mentioned list of important factors is not exhaustive. You should consider these and other factors carefully before making any investment decisions and you should avoid placing undue reliance on forward-looking statements. While the Fund currently anticipates that subsequent events and developments may cause the Fund's views to change, the Fund does not undertake to update any forward-looking statements.

Investment Objectives and Strategies

Prime Rate Plus Corp. invests primarily in a portfolio of common shares which will include each of the following Canadian chartered banks:

Bank of Montreal	The Bank of Nova Scotia
Canadian Imperial Bank of Commerce	Royal Bank of Canada
National Bank of Canada	The Toronto-Dominion Bank

The Company may also invest up to 20% of the Net Asset Value in equity securities of Canadian or foreign financial services corporations other than the core holdings listed above. In order to supplement the dividends received on the portfolio and to reduce risk, the Company will from time to time write covered call options in respect of some or all of the common shares in the portfolio.

The Company offers two types of shares:

Preferred Shares

The investment objectives with respect to the Preferred shares are as follows:

1. to provide holders with cumulative preferential floating rate monthly cash dividends at a rate per annum equal to the prevailing Canadian Prime Rate plus 0.75%, with a minimum annual rate of 5.0% and a maximum annual rate of 7% based on original issue price; and
2. on or about December 1, 2012 (the termination date) to pay holders the original issue price (\$10) of those shares.

Class A Shares

The investment objectives with respect to the Class A shares are as follows:

1. to provide holders with regular floating rate monthly cash distributions targeted to be at a rate per annum equal to the prevailing Canadian Prime Rate plus 2%, with a minimum targeted annual rate of 5% and a maximum targeted annual rate of 10.0%; and
2. on or about December 1, 2012 (the termination date) to pay holders the original issue price (\$15) of those shares.

Risk

The risks of investing in the Company remain as discussed in the Annual Information form dated March 29, 2006.

Results of Operations

Distributions to both Class A shareholders and Preferred shareholders were made at the Canadian prime plus formula as outlined above in the Investment Objectives section. The Canadian prime rate which began the period in December at 4.75% increased by 1.25% to 6.00% as at May 31, 2006 which resulted in increases in distributions for both classes of shares. The net asset value per unit was \$24.34 (after all distributions paid) as at May 31, 2006. As at May 31, 2006, the Company's portfolio was primarily invested in the 6 core Chartered Banks. The dividend income in the portfolio was supplemented by a limited covered call writing program which provided some additional income to the portfolio and also some downside protection to the portfolio.

Distributions

Class A Shares – Distributions

Class A shareholders are entitled to receive regular monthly cash dividends initially targeted to yield a floating rate based on the Prime Rate in Canada plus 2% per annum on the original issue price. Distributions paid during the six months totaled \$0.55001 per share.

Cumulative Distributions since inception

Preferred Shares – Distributions

Preferred shareholders are entitled to receive regular monthly cash dividends initially targeted to yield a floating rate based on the Prime Rate in Canada plus 0.75% per annum on the original issue price. Distributions paid during the six months totaled \$0.30417 per share.

⁽²⁾ This information is at May 31 or November 30 as applicable

⁽³⁾ A separate base management expense ratio has been presented to reflect the normal operating expenses of the Fund excluding the one time initial offering expenses. Management expense ratio is based on total expenses for the stated period and is expressed as an annualized percentage of average net assets during the period

⁽⁴⁾ Share issue expenses, representing all Agents' fees and other offering expenses are one time initial expenses connected with the launch of the Company

⁽⁵⁾ The Company's portfolio turnover rate indicates how actively the Company's portfolio advisor manages its portfolio investments. A portfolio turnover rate of 100% is equivalent to the Company buying and selling all of the securities in its portfolio once in the course of the year. The Company employs a covered call writing strategy which can cause the portfolio turnover rate to be higher than conventional mutual funds

⁽⁶⁾ The trading expense ratio represents total commissions and other portfolio transaction costs expressed as an annualized percentage of average net assets during the period.

Past Performance

The past performance of (1) the net asset value per unit (1 Preferred share and 1 Class A share), (2) the Preferred share on net asset value basis, and (3) the Class A share on a net asset value basis for the six month period ended May 31 and for each period ended November 30 since inception are presented in the bar charts below. In respect to the charts displayed below, please note the following:

- a) the performance information shown assumes that all cash distributions made by the Company during the periods shown were reinvested in the applicable additional securities of the Fund;
- b) the performance information does not take into account sales, redemption, distribution or other optional charges that would have reduced returns or performance; and
- c) past performance of the Company does not necessarily indicate how it will perform in the future.

Prime Rate Plus Corp.

Notes to Financial Statements

For the six month period ended May 31, 2006

1. Incorporation

Prime Rate Plus Corp. (the "Company") is a mutual fund corporation established under the laws of the Province of Ontario on May 25, 2005 and began investment operations on July 15, 2005. The manager of the Company is Quadravest Inc. (the Manager) and the investment manager is Quadravest Capital Management Inc. (Quadravest). All shares outstanding on December 1, 2012, the termination date of the Company, will be redeemed by the Company on that date.

2. Summary of significant accounting policies

These financial statements, prepared in accordance with Canadian generally accepted accounting principles, include estimates and assumptions by management that affect the reported amount of assets, liabilities, income and expenses during the reporting periods. The following is a summary of the significant accounting policies followed by the Company. Actual results could differ from these estimates.

Valuation of investments

Investments are recorded in the financial statements at their market values at the end of the period, determined as follows:

- Shares or other securities for which market quotations are readily available are valued at the closing sale price or, if there is no sale price, the average of the closing bid and ask prices. Shares or other securities for which market quotations are not readily available are valued at fair market values as determined by the Manager.
- Listed options are valued at market values as reported on recognized exchanges. Over the counter options are valued using an appropriate valuation model.

Investment transactions and income recognition

- Investment transactions are accounted for on the trade date.
- Realized gains and losses on investment sales and unrealized appreciation or depreciation in investment values are calculated on the average cost basis.
- Option fees paid or received are deferred and included in investments on the statements of financial position. Realized capital gains or losses are recognized in the statements of operations when options are exercised, expire or are closed out.
- Deferred gains and losses on options are recognized in investments and as a component of net unrealized appreciation (depreciation) in the value of investments in shareholders' equity.
- Dividend income is recognized on the ex-dividend date. Interest income is recognized when earned.
- Net realized gains and losses on investments include net realized gains or losses from foreign currency changes.

Prime Rate Plus Corp.

Notes to Financial Statements

For the six month period ended May 31, 2006

3. Preferred shares

The Company is authorized to issue an unlimited number of Preferred shares.

<u>Issued and outstanding</u>	May 31, 2006
11,525,000 Preferred shares	<u>\$115,250,000</u>

On July 15, 2005, 11,200,000 Preferred shares were issued at \$10 per share. An additional 325,000 Preferred shares were issued for proceeds of \$3,250,000.

Preferred shares are entitled to cumulative preferential floating rate monthly cash dividends at a rate per annum equal to the Prime Rate in Canada plus 0.75% with a minimum annual rate of 5.0% and a maximum annual rate of 7.0% (based on the original issue price).

All Preferred shares outstanding on December 1, 2012 will be redeemed by the Company on that date. For accounting purposes, the Preferred shares have been presented as liabilities in the financial statements in accordance with Section 3860 of the CICA Handbook.

Preferred shares trade under the symbol "PPL.PR.A" on the Toronto Stock Exchange (TSX). Preferred shares trading price on the TSX was \$11.44 as at May 31, 2006. Preferred shares may be surrendered at any time for retraction at specified retraction amounts, but will be retracted only on the last day of each month. Shareholders who concurrently retract a Preferred share and a Class A share (together, a "unit") in the month of July in each year will be entitled to receive an amount equal to the net asset value per unit on the last day of July. Preferred shares retracted in any other month will receive a retraction price based on a discounted specified retraction formula. The net asset value per unit as at May 31, 2006 was \$24.34. Under the terms of a Recirculation Agreement, the Company may, but is not obligated to, require the Recirculation Agent to use its best efforts to find purchasers for any Preferred shares or Class A shares tendered for retraction.

The Preferred shares rank in priority to the Class A shares with respect to the payment of dividends. Preferred shares rank in priority to the Class A shares upon termination of the Company.

4. Class A shares and Class B shares

Class A share distributions are floating rate monthly cash distributions targeted to be at a rate per annum equal to the Prime Rate in Canada plus 2.0% with a minimum targeted annual rate of 5.0% and a maximum targeted annual rate of 10% (based on the original issue price). All Class A shares outstanding on December 1, 2012 will be redeemed by the Company on that date.

Prime Rate Plus Corp.

Notes to Financial Statements

For the six month period ended May 31, 2006

Class A shares trade under the symbol "PPL" on the Toronto Stock Exchange (TSX). Class A shares trading price on the TSX was \$14.10 as at May 31, 2006. Class A shares may be surrendered at any time for retraction at specified retraction amounts, but will be retracted only on the last day of each month. Shareholders who concurrently retract a Class A share and a Preferred share (together, a "unit") in the month of July in each year will be entitled to receive an amount equal to the net asset value per unit on the last day of July. Class A shares retracted in any other month will receive a retraction price based on a discounted specified retraction formula. The net asset value per unit as at May 31, 2006 was \$24.34. Under the terms of a Recirculation Agreement, the Company may, but is not obligated to, require the Recirculation Agent to use its best efforts to find purchasers for any Preferred shares or Class A shares tendered for retraction.

The Preferred shares rank in priority to the Class A shares with respect to the payment of dividends. Upon the termination of the Company, Class A shareholders will receive an amount equal to the net asset value per unit less \$10 (the redemption value of the Preferred shares).

On July 15, 2005, the Company issued 11,200,000 Class A shares for a gross proceeds of \$168,000,000. An additional 325,000 Class A shares were issued on July 29, 2005 for proceeds of \$4,875,000. Agents' fees of \$13,830,000 and filing costs of \$500,000 were incurred in connection with this offering.

The holders of Class B shares are not entitled to receive dividends. The Class B shares are retractable at a price of \$1.00 per share. Class B shareholders are entitled to one vote per share. On July 15, 2005, the Company issued \$1,000 Class B shares to Quadravest Capital Management Inc., the Company's investment manager, for cash consideration of \$1,000.

5. Expenses

The Company is responsible for all expenses incurred in connection with the operation and administration of the Company, including, but not limited to, ongoing custodian, transfer agent, legal and audit expenses.

Pursuant to the administration agreement, the Manager is entitled to an administration fee payable monthly in arrears at an annual rate of 0.20% of the net assets of the Fund, which includes the outstanding Preferred shares, calculated as at each monthly valuation date and an amount equal to the service fee payable to dealers on the Class A Shares at a rate of 0.50% per annum.

Pursuant to the terms of the investment management agreement, Quadravest is entitled to a base management fee payable in arrears at an annual rate equal to 0.65% of the net assets of the Company, which includes the outstanding Preferred shares, calculated as at each monthly valuation date. In addition, Quadravest is entitled to receive a performance fee subject to the achievement of certain pre-established total return thresholds.

Total management fees of \$1,254,158, incurred during the period, include the administration fee and base management fee.

Prime Rate Plus Corp.

Notes to Financial Statements

For the six month period ended May 31, 2006

5. Expenses (continued)

Total brokerage commission paid during the period by the Company for its portfolio transactions were \$61,454.

6. Distributions

The Company's investment objectives are to provide floating monthly distributions to both the Preferred and Class A shareholders while returning the original issue price to each shareholder on the termination date of the Company on December 1, 2012.

Distributions per share were as follows:

	May 31, 2006
Preferred shares	\$0.30417
Class A shares	\$0.55001

7. Income Taxes

The Company is a mutual fund corporation as defined in the Income Tax Act (Canada) (the Act) and is subject to tax in respect of its net realized capital gains. This tax is refundable in certain circumstances. Also, the Company is generally subject to a tax of 33-1/3% under Part IV of the Act on taxable dividends received in the year. This tax is fully refundable upon payment of sufficient dividends.

The Company is also a financial intermediary corporation as defined in the Act and, as such, is not subject to tax under Part IV.1 of the Act on dividends received nor is it generally liable to tax under Part VI.1 on dividends paid on taxable preferred shares.

8. Financial instruments and risk management

The fair values of the Company's assets and liabilities are affected by changes in interest rates and equity markets. The Company manages these risks through the use of various risk limits and trading strategies.
